public hearing if the producing characteristics of the reservoir changes and evidence to justify such reclassification is submitted to and accepted by the Commissioner of Conservation.

5. To consider such others matters as may be pertinent.

The Marg Tex Sand, in the Perry Point Field, was previously defined in Office of Conservation Order No. 448-K, effective July 10, 1973.

Pertinent data, including well logs, may be obtained **AT THE COST OF THE REQUESTING PARTY** from Mr. David Comeaux, Leon Comeaux & Associates, P. O. Box 53922, Lafayette, Louisiana 70505, Telephone No. 337/233-9839.

Attached hereto and made a part hereof is a plat outlining the applicant's proposal and a list of the names and addresses of the Interested Owners, Represented Parties, and Interested Parties to whom a copy of this application is being mailed. Pursuant to the Revised Rules of Procedure, such plat (being the same plat attached to the pre-application notice dated November 2, 2001) and list of parties are being furnished only to the Commissioner of Conservation and to the District Manager of the Lafayette District of the Office of Conservation; however, the plat and/or list of parties will be furnished to any party requesting copies. A reasonable effort was made to ascertain the names and addresses of all Interested Owners, Represented Parties and Interested Parties.

Finally, enclosed is our check on behalf of the applicant, in the amount of \$700.00, made payable to the Office of Conservation representing the required hearing application fee.

Very truly yours,
